Issues:

3D printing has become an issue at both X-10 and Y-12

Seeing more and more 3D printing at Y-12 it is going to take jobs from our members.

The IAM has met on two Jurisdictional Disputes at Y-12 in 2016.

Crane Maintenance with the Iron Workers

Water Jet with Sheet Metal

480 Accomplishments

18 apprentice's have become journeyman machinist with the second class completed in Aug.

The down side is the company has not had a new class in two year, and it has been four years for machinist.
